

Save a reading list in our online catalog

1. On your computer or device, type in the web address of our online catalog (<https://catalog.mydpl.org/>) or [CLICK HERE](#).
2. On the right side of the screen type in your library card number to log in to your account (your PIN number is the last four digits of your library card number)
3. Search our catalog for books that interest you and that you'd like to read for the challenge (or just in general)
4. Once you are logged into your account, you will notice a button in each book record of our catalog: "Save to lists." When you click it you will have the option to add the book to a new list. You can make as many lists as you'd like!

If you need assistance with this, let us know and we'll be happy to help!
