On January 28, 1895, Susan B. Anthony and Mrs. Carrie Chapman Catt spoke at the Echols Opera House in Decatur, Alabama about equal suffrage "and kindred subjects."

To celebrate the 100th anniversary of the passage of the 19th Amendment (August 8, 1920), DPL invites you to hear selections from Susan B. Anthony's speech and to learn more about the women who brought her to Decatur.

Adults are invited to this free program.
