

Make a Chick

You will need:

- toilet paper roll or cardboard tube
- something to color with
- scissors
- glue

Instructions:

- Color and cut out the chick pieces
- Glue the large rectangular piece on first to cover the tube.
- Glue on the head, wings and chest
- Fold the feet tabs and glue to the inside, bottom of the toilet paper roll
- Glue the egg into one of the hands

The finished product will look like this:
