

Paper Swan Craft

You will need:

- Paper plate or paper circle
- scissors
- glue

Instructions:

- Cut the paper plate or paper circle almost in half; stop cutting to leave enough of the plate's rim to connect the swan's head to his body. Continue cutting around the rim to form the neck and head
- Cut out the wing, beak and eye from below
- Glue them on to the paper plate or circle

The finished product will look like this:
