

Dragon Footprints

You will need:

- Crayons/markers or colored paper
- Scissors
- Paper to make more prints

Instructions:

1. Cut out the dragon footprint on this page.
2. Use it as a template to trace as many footprints as you'd like.
3. Color them (or trace them onto colored paper) and cut them out.
4. Lay them on the floor or ground in a line.
5. Stomp in the footsteps of dragons!
