

# Create Your Own Castle

## You will need:

- Crayons, markers, or colored pencils
- Scissors
- Glue or tape

## Instructions:

1. Color the castle wall.
2. Cut out the castle wall. You may want to cut the doors on the middle and around the arch so that they can open and close.
3. Fold the wall on both sides so that it will stand up.
4. Print multiple ones and stack them together to make a larger castle!
