

Make a “Jolly Roger” Pirate Flag

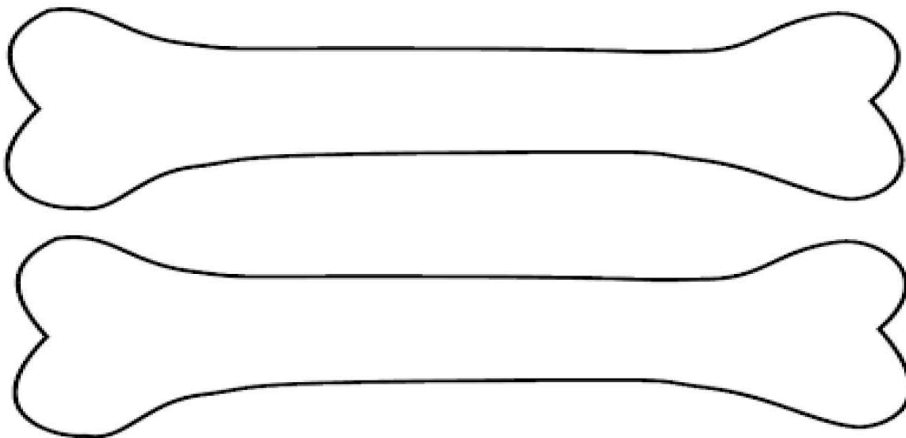

You will need:

- Skull & bones template
- Black paper
- Scissors
- Glue or tape
- A straw or stick (optional)

Instructions:

1. Cut out the skull and two bones.
2. Glue the skull to your black piece of paper, with space underneath for the cross bones.
3. Use the two bone pictures to make an X below the skull, like in the picture above.

You can hang your pirate flag up at home, or tape it to a stick.
