

# Troll Smile Snack

In one of this week's stories, you will read about a troll  
(in *Three Silly Billies* on Tumblebooks!).  
Enjoy this healthy snack while you read the story!

## You will need:

- Apples (one red and one green)
- Peanut butter (or marshmallow cream)
- Miniature marshmallows

## Instructions:

1. Cut one green apple and one red apple into halves. Then cut each half into quarters. Each apple quarter can then be cut into three pieces. Now you should have twelve red apple slices and twelve green apple slices.
2. Spread one side of each slice with peanut butter or marshmallow cream.
3. Set miniature marshmallows on six slices of each color.
4. Top each green marshmallow mouth with a green slice, and each red mouth with a red slice.

The peanut butter or marshmallow cream work as “glue” to hold the mouths together. Enjoy!
