

The school-library partnership provides safe access to age-appropriate titles for students' use inside the classroom, at home and anywhere 24/7. Through [Sora](#), the new student reading app for Decatur City Schools, students can now borrow the school's collection of classroom and pleasure reading, and also access Decatur Public Library's juvenile and young adult digital collection. In addition, Sora supports teachers by offering education-specific tools like achievements, exportable notes, and reading progress that encourage individualized learning.
