NEWSPAPERS

When accessing these newspapers from home, you will be required to log in. Unless otherwise noted, your log-in information is your DPL card number. If a PIN is required, it will be the last four digits of your DPL card number.

DPL offers has a subscription to the digital newspaper collection from NewsBank. It is a fully searchable collection which provides online access to electronic editions of local, state & national newspapers. It is updated daily.

Decatur Daily Collection

Decatur Daily issues in electronic form from 2004 to **current**. Find full-text articles on local news, **issues**, events, people and much more. Updated daily, it includes obituaries, editorials, announcements, sports, real estate and other sections. Best of all, you can search by key word or name.

Alabama News Sources

Search current and archived newspapers from around the state that feature image editions, which allow you to search or browse replicas of popular newspapers' print editions online, with full-color layouts of all news articles, graphics, advertisements, classifieds, weather reports, box scores, puzzles, cartoons and more. Available as soon as print editions.

America's News Magazines

Search current and archived coverage of issues, events, people, government, sports and more with the **largest collection of full-text U.S. newspapers**. Includes staff-written articles, obituaries, editorials, announcements, real estate and other sections. The main page also offers:

- **Special Reports** - Current and retrospective news articles and images organized by key global issues & events, people and monthly themes
- **Hot Topics** - Current research topics covering key global issues, events and people about business, economics, crime, politics, science health sports, the arts, and more.

DPL brings you one of the largest newspaper archives in the world, powered by NewspaperArchive®. Our *historical* newspapers on microfilm have been converted to a digital format, including the *Decatur Daily* from 1912 to 1977, and are available in this database.
