Leap into learning with the 21-Day Read Aloud Challenge!

Read Aloud with your child for 21 days during the month of April & get a free book!

Sign up for the 21 Day Read-Aloud Challenge by having your child write their name on the paper cutout for the wall display in our Youth Services Room. Then take a colorable reading log and a foldable frog bookmark. Record the books you read over the 21 days (in April) on the reading log and then turn it in to our Youth Services Room to receive a free book! The bookmark is just for fun! You'll see the table out in Youth Services during the month of April, if not before.

For information about reading aloud to your child, visit www.myDPL.org/YS.

Story Time

Story Time is for children of all ages. We read stories based on a different theme, sing songs, & speak rhymes. It's fun and educational!

Book Babies

Book Babies is designed for children from birth to age 3. We read short books, sing action songs, and participate in fingerplays around the theme: Let's Plant a Garden!

LEGO® @ DPL

On **LEGO® Morning**, we'll have our LEGO® bricks out in the **Youth Services Room** from 10am - 12pm for kids to stop by & create at their leisure.

LEGO® Hour, meets in the **Community Room** for a 45 minute build session inspired by a challenge, followed by sharing of our creations.

Subscribe to our Youth Services email list. Scan the QR code or visit www.myDPL.org/YS to sign up.

BIG KID BOOK REC

Book recommendation for grades 3 - 6

Willodeen

by Katherine Applegate

Willodeen has a fascination with animals that others don't. She relates to them more than she relates to people. One day there was a roaring fire that spread to her family's home and Willodeen was the only survivor, and that wasn't the only disaster that happened. There were many other natural disasters. The animals stop migrating which is very strange. It's almost as if Mother Nature is saying something is wrong. Can Willodeen figure out what's happening with the animals and what's behind these disasters?
