Lalani of the Distant Sea by Erin Entrada Kelly

Lalani Sarita's mother has fallen very ill and she must help take care of the house, run errands, and clean. Her life doesn't include much else, especially since her stepfather and stepbrother are very cruel to her. She also doesn't have many resources. Lalani is running out of the herb that is used for her mother's medicine. She wants to go somewhere where things are better so she sets out on a boat across the Veiled Sea. She has heard stories of a girl from her village that left for the Veiled Sea and never returned. Will Lalani be able to come back for her family?

*Available in print (JF Kelly) in our Youth Services room
AR Level 4.4; AR Points 7.0*
