FUN, TALENT, AND COMMUNITY

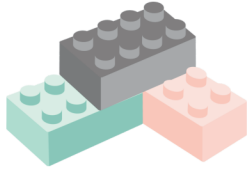

There will be live performances, backpack giveaways, delicious food trucks, and games for everyone!

Stop by and see DPL at this event!

In **Story Time**, we sing songs, say poems, and read books about a specific theme. We will also have an activity to go along with the theme. This month's Story Time theme is all about reviewing the letters we learned before summer. Children of all ages are welcome.

Book Babies is a story time for babies from birth to 3 years old. Book Babies is a great way to encourage early literacy in our youngest readers. We sing songs, do bouncing rhymes, and read books. This month's Book Babies theme is all about our community helpers.

At **LEGO Morning**, we'll have our LEGO bricks out in the Youth Services room from 10am - 12 noon for kids of all ages to stop by and create a masterpiece at their leisure.

Toddler Time is a time for toddlers to grow in their early literacy skills. We will have themed activities, themed crafts, toy time and more. We will meet twice a month on a Thursday at 10:30am. This program is designed for toddlers aged 1 - 4.

Saturday Story Time is designed for school aged kids. We will read a couple of stories to go along with the theme, say poems, and have an activity. This month's theme is "Back to School." All are welcome to this program.
