FALL into Reading

a reading program for kids up to age 17
through Nov 30th

Scan the QR code to register and enter the program code: **1e0f1**.

Make sure to enter the correct birth date so you are in the right age group.

If you have any questions, the Youth Services desk will be happy to help!

TWEENS & TEENS

(AGES 11-17)

GAME ON

MONDAY
NOV. 23rd
3:30PM - 5:30PM
Community Room

Bring your favorite board game and a friend for an afternoon of games & fun!

Story Time

Our theme each week will be one letter of the alphabet. We sing songs, say poems, read books, and have an activity. Children of all ages are welcome!

Book Babies

In this story time for babies from birth to 3 years old, we sing songs, do bouncing rhymes, and read books to encourage early literacy.

TODDLER Time

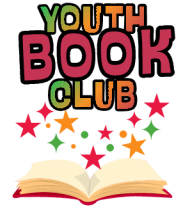

Toddler Time is a time for toddlers to grow their early literacy skills. We will have themed activities, themed crafts, toy time, and more. This program is designed for toddlers ages 1 - 4.

Youth Book Club is for kids ages 8 and up. We will discuss our books, have an activity, and receive our next book challenge.

Kids should prepare for this book club by reading

a book about an ancient civilization or a book about space exploration.

Meets in the Story Hour Room.

Sometimes holidays or special events happen during our usual time for Story Time or Book Babies. When that happens, we still want to make sure we have a story time for the kids. This is when **Family Story Time** comes in. Family Story time is for Story Time attendees *and* Book Babies attendees. We read books, say poems, sing songs and have an activity that goes along with the theme.

LEGO® Programs

At **LEGO® Morning**, we'll have our LEGO® bricks out in the *Youth Services Room* for kids of all ages to stop by and create a masterpiece.

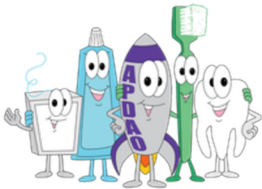

Meets in the Youth Services Room.

At **LEGO® Hour**, we'll meet in the **Community Room** for a 45-minute build session. We will usually have a challenge to inspire your build. At the end you can show off your creation to the other builders.

Dentist Show & Tell

Children of all ages are invited to come and meet a real community helper! Join DPL and our friends from **Alabama Pediatric Dental Associates and Orthodontics** and ask all your questions about going to the dentist. We'll also learn more about what dentists and hygienists do.

Tween and Teen programs are designed for ages 11 - 17. This month, we will have a board game afternoon. Bring your favorite board game or play one of ours. Meets in the Community Room (upstairs).

Literacy ideas for November

- **Nov. 14th: Astrid Lindgren's birthday** - celebrate by checking out one of her books found at **JF LINDGREN** and **E LINDGREN**, and her biography at **JB LINDGREN**.
- **Nov. 16th: Button Day** - have your child help you make a pattern with different colored buttons. Then count how many buttons you used.
- **Nov. 26th: Thanksgiving Day** - Gobble Gobble! Who can do the best turkey impression between you and your child?
- November is **Picture Book Month** - celebrate by checking out and reading one of your favorite picture books
- November is also **Family Literacy Month** - have everyone in the family choose a picture book to check out and then read them all together
